I will send you a large image like the one in the example. At the top right, put the logo symbol and the company name. On the right on the same line as the logo instead of "destiny 2" we don't put anything.

Instead of "marathon" we put the name of my game, instead of

"careers" we put "about us"

One/two images that connect like this with the one above.

FIN DOVE TI SPINGERAI?

Call of Duty®: Black Ops 3 proietta i giocatori in un futuro in cui la biotecnologia ha portato alla nascita di un nuovo tipo di soldati Black Ops. I giocatori sono collegati all'intelligence e ai loro compagni durante la battaglia. In un mondo più diviso che mai, questa squadra d'élite è composta da uomini e donne che hanno amplificato le loro capacità di combattimento per lottare con più agilità, forza e astuzia. Ogni soldato deve fare scelte difficili e visitare luoghi oscuri in una storia cruda e avvincente.

- **DLC 1: Awakening:** Affronta ad armi spianate il mondo multigiocatore di Black Ops III con 4 nuove mappe tra cui "Skyjacked", una reinterpretazione dell'amatissima mappa multigiocatore "Hijacked" di Call of Duty®: Black Ops II. Il nuovo episodio Zombi prosegue gli eventi The Giant, con i personaggi di Origins diretti a Der Eisendrache in una missione per fermare l'apocalisse zombi.
- **DLC 2: Eclipse:** Affronta orrori indescrivibili in quest'esperienza Zombi Origins, in cui i giocatori combattono attraverso 4 manne multigiocatore ricche d'azione. "Knockout" fa da

-After you put platform, release date and genre. In the right part a little description: In "Rules," terror takes the form of a deadly quiz game. Players face evil characters who impose ruthless rules. Breaking the rules leads to lethal consequences. Follow the rules, answer correctly, survive. One mistake could be your last.

-in the last part the name of the company e the writing “2024 gjallarhorn inc. all rights reserved”

2)ABOUT US

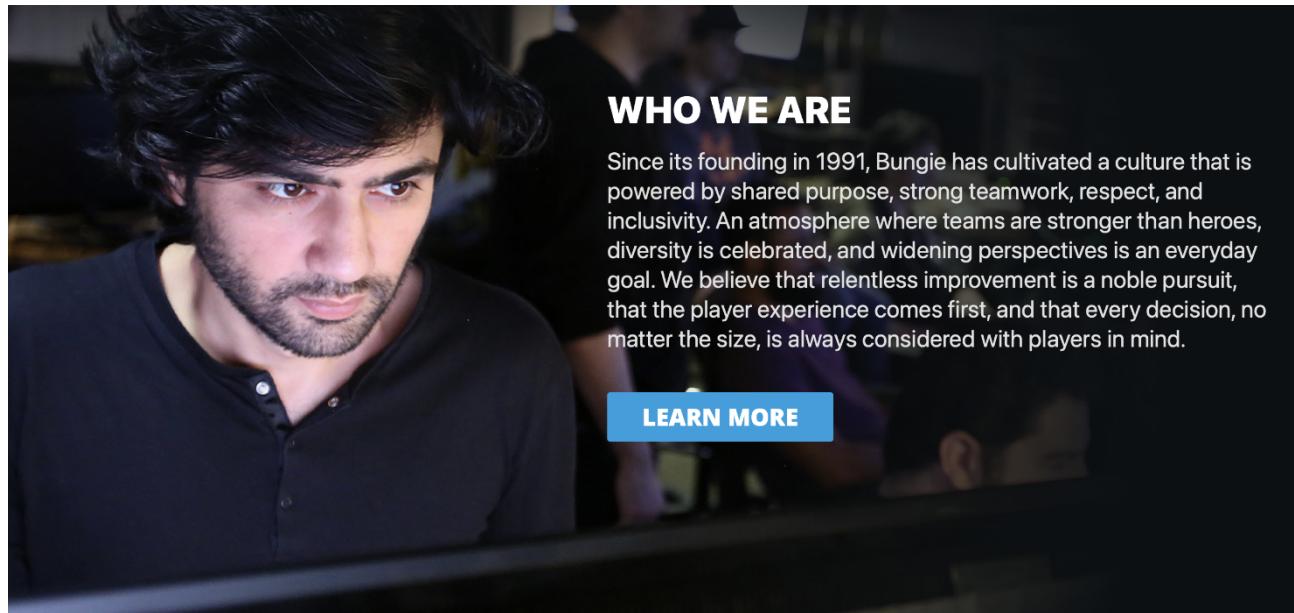

-In the first part a big image with a big slogan “We don't just create games, we craft unforgettable experiences. The writing is: As dreamers who turn the impossible into the possible, we create extraordinary worlds where imagination comes to life, offering unforgettable moments that leave a lasting impression on every player.

Founded in 2022, Gjallarhorn is a video game company with the goal of revolutionizing the gaming world. Our mission is to create a new way of playing, always prioritizing respect and the players.

Inclusivity and respect are the fundamental pillars of our company philosophy. We believe that video games should be a place where everyone feels welcomed and valued, regardless of their differences. Each of our projects is designed to inspire and connect people from all over the world, offering unique and unforgettable experiences.

At Gjallarhorn, we don't just create games, but extraordinary worlds where imagination comes to life and where every player can feel part of something special.

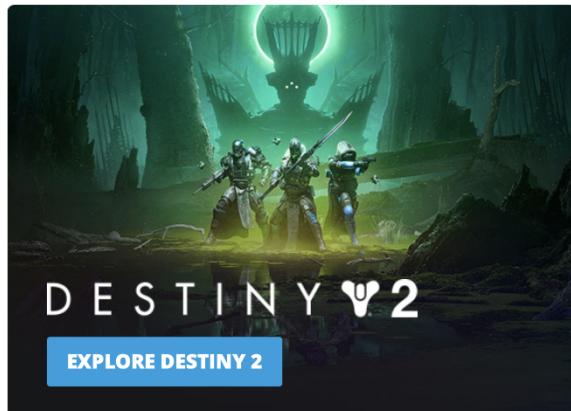

WHO WE ARE

Since its founding in 1991, Bungie has cultivated a culture that is powered by shared purpose, strong teamwork, respect, and inclusivity. An atmosphere where teams are stronger than heroes, diversity is celebrated, and widening perspectives is an everyday goal. We believe that relentless improvement is a noble pursuit, that the player experience comes first, and that every decision, no matter the size, is always considered with players in mind.
